Directions to Moseley SCC/LASOP Officers	5

Dear Readers,

Welcome back! We hope you have enjoyed a wonderful summer break and are ready to join us again. On September 8th, we welcome Dr. David Bostwick for a special presentation on prostate pathology. This will be our last meeting in the auditorium.

Starting in October, we will host both the reception and academic program in the Sequoia Room on the 2nd floor of the Moseley Salvatori Conference Center (upstairs from the auditorium). This way, our audience can enjoy refreshments during the program in an informal and more intimate atmosphere.

Our schedule for the rest of 2009, and well into 2010, features a wide variety of speakers and topics sure to engage our members. Mark these dates on your calendars and see you on September 8th!

- Board of Directors

* A Special Update *

From the California Society of Pathologists

Prior to the start of the academic program on September 8th, we will have a brief legislative update from the California Society of Pathologists (CSP).

CSP President, Dr. Robert Freedman, and Executive Director, Dr. Robert Achermann, will deliver a short message entitled "Sacramento Report: Issues Impacting Pathology Practice."

Please join us in welcoming our colleagues from Northern California and let's hear what timely and relevant information they have to share with us.

Meet the Speaker:

David G. Bostwick, MD
